Orbitus Shipping Corporation excels in seamless customs clearance, logistics, transportation and freight forwarding in India. Our industry-leading efficiency, reliability and customer service empower global business success.

Orbitus Shipping Corporation offers comprehensive customs and logistics services, optimizing supply chains and ensuring compliance. Our innovative solutions support your business growth in international trade.

OUR SERVICE

At Orbitus Shipping Corporation, we offer a comprehensive range of services to streamline and optimize your customs clearance and logistics operations. Our expertise ensures that your import and export activities are handled with precision and efficiency.

Regulatory Compliance

COMPREHENSIVE CUSTOMS CLEARANCE

We handle all customs clearance procedures efficiently, ensuring compliance and minimizing delays for enhanced supply chain efficiency.

IMPORT AND EXPORT MANAGEMENT

We handle every aspect of your import and export operations, providing timely updates and managing any changes to keep your business running smoothly.

MINISTRY AUTHORIZATION

We handle the extraction of import Authorization from the Ministry of Agriculture, ensuring your goods meet all agricultural import requirements.

FREIGHT SERVICES

AIR FREIGHT

Fast and efficient, our air freight services ensure your goods are delivered quickly, meeting tight deadlines with reliable and secure handling

OCEAN FREIGHT

Our ocean freight services provide cost-effective solutions for transporting large volumes of goods across international waters, with options for full container load (FCL) and less than container load (LCL) shipments.

LAND FREIGHT

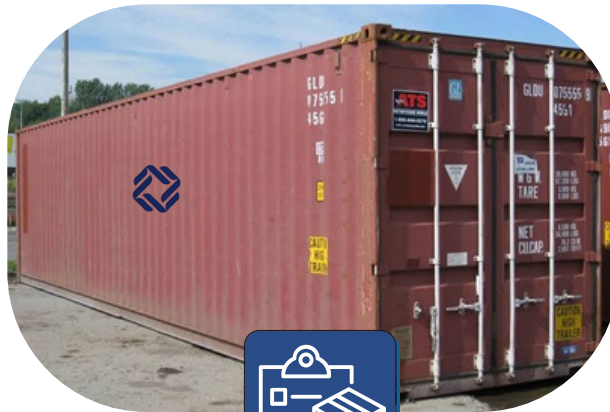

We offer extensive ground freight services, including truck load, less than truckload (LTL) and intermodal transport, ensuring your cargo reaches its destination safely and on time.

FREIGHT SERVICES

BARGE SERVICES

Our barge services are ideal for transporting bulk goods via inland waterways, providing economical and environmentally friendly option for heavy and oversized cargo.

PROJECT CARGO

Specializing in the transportation of large complex, and high-value equipment, our project cargo services include meticulous planning, route surveys and the use of specialized transport vehicles.

FREIGHT MANAGEMENT

We provide comprehensive freight management services, handling all aspects of logistic planning, coordination and execution to optimize your supply chain and reduce costs.

FREIGHT SERVICES

CARGO INSURANCE

To safeguard your shipments against potential risks, our cargo insurance services offer extensive coverage options, giving you peace of mind that your goods are protected throughout their journey.

WAREHOUSING SOLUTIONS

We offer secure, flexible short-term and long-term storage with advanced inventory management, optimizing handling, storage and distribution to enhance supply chain efficiency.
